OAK HILL MEETING ???

THE ANNUAL MEMBERSHIP CONTEST
WILL CLOSE AT 1:00 P.M. - SAT.
MAY 5, 1984... YOU CAN BE THE
WINNER WITH SOME ACTIVITY NOW !
.....

Membership activity has been slow during the past year !! Unofficial records show the following standings to this date (3/5/84): FIRST: Paul Kouts - 8 members: SECOND - Bill Williams - 3 members: THIRD - Tom Hitt - 4 members (not eligible for prize): Each of the following have been credited with ONE new member: Harold Snodgrass; John Sebo; Darrell Crotty; H. Smith; J. Podgurski; R. Bays; R. Saunders; M. Ballard; H. Matheny; M. Bennett; N. Leshkow; H. Lee; R.R. Tippy; Bill Williges; and R. Blankenbecker.

As will be reported by the Secretary at the annual meeting, we have lost a large number of members for non-renewal!! As will be noted by the above, we have not signed enough new members to fill the deficit !! Membership is the 'life blood' of any organization!! We need YOUR help now on getting new members !! Surely there are many collectors of coal tokens - lumber tokens - mining post cards - mining lamps and gear - and other related collectibles - that belong in NSCA !! Are YOU doing your part to help ??
.....

WELCOME THESE NEW MEMBERS TO NSCA:

- 1087. Kelley Deem, Box 657, Barrackville, WV 26559 (H. Lee)
 - 1088. Richard Jones, Box 41, Clanton, AL 35045 (R. R. Tippy)

JANITOR SPECIAL BONUS: In addition to two prizes listed above, the Janitor will award a two wheel "Scrip Tote" cart to the member turning in the most new members at the Oak Hill Convention. This gadget is handy for moving your luggage and/or scrip in and out of motels, etc. and will be given FREE to you. Round up a gang of collector friends and turn in the applications at Oak Hill to win !! The Secretary has plenty of NSCA membership brochures - yours for the asking !!

A REPLY ENVELOPE IS ENCLOSED FOR YOU TO USE AS FOLLOWS:

1. Mail in your NSCA RESERVATION form for FREE tables and other reservations !!
2. Mail in your Mail Auction Sale bid sheet !!
3. Mail in a new NSCA membership application !!
4. Mail in an article on your favorite token and/or mine collectible !!
5. Mail in a 'bouquet' or 'brick bat' concerning NSCA !!
6. Mail in a PAID ad for the next issue of the bulletin !!

The last Mail Sale had the highest number of bids in recent years. Don't know whether the reply envelope enclosed with the bulletin was the cause or whether the lots offered were above average!! Regardless, my thanks. This helps to keep the 'wheels turning' on the bulletin. As will be noted, we are very short of lots in the present sale. The material, however, is way above average and there are probably many items that you do not have in your collection!! We need your help !!

hitting the high spots

by TOM HITT

PRESIDENT - NATIONAL SCRIP COLLECTORS ASSOCIATION

P. O. BOX 970

DEFIANCE, OHIO 43512

Quite a short report until we meet again - May 4th and 5th....

WARNING: I have been informed that you must make reservations at once if you plan to attend the National Convention in Fayetteville - Oak Hill. There will be "white water" rafters competing for the same rooms on the same weekend so return the enclosed reservation card at once !! Don't forget to advise that you are with NSCA since we have a block of rooms reserved !!

As will be noted on the enclosed information sheet, I want to try something new this year in order to shorten the Saturday afternoon business meeting. A new AWARDS BREAKFAST will be held on Saturday morning at 7:00 a.m. The bourse room will not open until after the breakfast. At the AWARDS BREAKFAST, you can eat all you want from the buffet and FREE door prizes will be awarded.

Among the awards to be presented will be: The Fred Lange Outstanding Member Award (if one selected); the Gordon Dodrill Membership Award; the Ancil Donohoe Award for best article in SCRIP TALK during the past year. Too, the beautiful SCRIP CLOCKS by Scriptor Toots Boyett for last year awards will be presented to Charles Jenkins and R. R. Tippy.

RESERVATIONS for the AWARDS BREAKFAST as well as FREE TABLES for the bourse should be made at once. An NSCA form is attached in this bulletin along with an addressed envelope so that you can advise on this !!

Book Committee Chairman Bill Williams notes that some members felt that the book price was too high for members and that the book price for NSCA members has been revised. See full details in this issue of the bulletin.

CONVENTION AUCTION: Now is the time for you to forward coal and lumber tokens for the Friday night auction!! Remember we want good R7 to R10 material only.. Too, the Executive Committee has reduced the sale commission so you will receive a better return on your items!! The profits from the auction go toward the expense of holding the convention !! Scriptor David Gladfelter of New Jersey has donated some 1973 SCRIP TALK issues to NSCA.

TOKEN HOARDS: If you have (or know of any) hoards of tokens (coal or lumber) that would change the rarity significantly, please drop a note to Vice-President Crawford Blakeman (see address on front page) and he will report it in SCRIP TALK. If desired, it can be reported secretly for your protection!! This will prevent Scriptors from being "taken" on future deals!!

Don't forget -- Mail your Motel Reservation Card in today !! Mail your NSCA Reservation Form in today in the enclosed addressed envelope !!

WANTED !!

A BETTER COAL OR LUMBER TOKEN COLLECTION FOR FUTURE MAIL AUCTION SALES !! IF YOUR COLLECTION IS FOR SALE, PLEASE TALK WITH COLONEL CALDWELL AT THE SPRING 1984 NATIONAL CONVENTION IN OAK HILL. THANKS !!

ATTENTION COLLECTORS OF VIRGINIA TOKENS AND COAL SCRIP

My Virginia collection, assembled over a period of nearly twenty five years, is now offered for sale. The following types of tokens are included:

COAL SCRIP: This collection is undoubtedly the largest ever assembled and consists of about 600 pieces, including a great number of extreme rarities. Companies such as Bondurant Coal & Coke, Blue Ridge Va. Anthracite, Bonny Blue Coal, Bee-Hive Mining, Red Jacket Coal, Virginia Coal Mining, Merrimac Anthracite Coal, Merrimac Morgan Coal, Little Tom Coal, Pennington Coal, Big Vein Pocahontas Coal, Pocket Coal, Empire Anthracite Coal, Beaver Coal, and many others are represented.

LUMBER SCRIP: This group includes numerous unlisted and rare tokens.

TRADE TOKENS: There are well over 1,000 tokens, representing hundreds of different towns.

Each of these three collections will be offered separately and intact until the May NSCA meet, at which time (if not sold) they will be offered by the piece. Do not expect bargains; the prices will be high, but this represents a once-in-a-lifetime opportunity for the collector. This is by far the largest collection of Va. tokens ever assembled, and whatever price is paid today will seem a bargain in years to come. Serious inquiries are invited.

If the collections are not sold intact, I will consider trading individual pieces for any of the following that I need: Exploder tokens; Hard Rubber (Vulcanite) & Celluloid tokens; Rare Transportation tokens; Round Cardboard tokens; Bimetallic tokens; Sutler tokens; Post Trader and early Military tokens; and Early Merchant tokens.

SCRIPTALK

We are running behind with this issue and know that you will understand... our only Sister expired on January 21 following a seventeen month battle with cancer. Too, I have to care for my mother (age 90) along with other responsibilities... Thanks to all Scriptors for the expressions of sympathy... I have decided not to be a candidate for the TAMS Board of Governors for the two year term and have notified Secretary Dorothy Baber. If at all possible I plan to make the TAMS meeting to be held in Detroit in July. NSCA will be represented on the Board if Scriptors (who are TAMS members) will vote for Tom Hitt (a new candidate); Paul Cunningham; Dave Schenkman; Ben Odesser; Rich Hartzog; and possibly others.. Watch for the TAMS Journal after nominations are published shortly.... Several important matters merit your prompt attention as will be noted in this issue. We are taking reservations for FREE tables for the Spring 1984 National Convention at Oak Hill - Fayetteville on Friday and Saturday, May 4 and 5. Be sure and return your NSCA reservation form in this issue if you plan to attend !! This will enable the committee to make better arrangements for tables, the Friday banquet, ladies events, etc. Too, the form will give us an idea on how to figure on the dinner for Friday night, etc. Even if you plan to commute to and from the hotel, please return your NSCA reservation form. Note that this form AND the motel reservation form should be mailed in before April 15, 1984. We must advise the motel on the rooms needed by this date !!A reminder on the FREE door prizes that will be awarded at the Spring Convention !! Many of you have noted the 'scrip tote' carts that some of the members use to get in and out of motels!! The Janitor will be giving SIX of these away to lucky persons attending the NSCA events. Too, other door prizes will be featured this year !! Show posters will be distributed over a wide area and area TV, radio and newspapers will feature the event. There should be a lot of visitors coming in to see the displays and to buy and trade scrip !! Don't you dare miss this big one !!

the Schedule of Events in this issue of the bulletin !! ...As will be noted in the Mail Auction Sale this month, the listings are very brief - only 67 lots!! This is all we had to list !! I realize that I will take a financial beating on this issue but it will all come out over time!! Thus, we urgently need BETTER coal and lumber tokens to list at this time!! Why not let about 500 collectors bid on your material? Remember, we must have an itemized listing of all material that you send along with catalog numbers. The Janitor simply does not have the time to catalog your material for listing !! The commission on selling is only 20% and no charge is made if any items do not sell!! Too, you can specify minimum bids on items if you desire !! The future success of the bulletin depends on our getting good material (R7, 8, 9 and 10) to list.....TOKEN HOARD REPORT: All Scriptors should note that Hoards Reporter Crawford Blakeman has information that moderate amounts of: Northside Coal Co. (Virginia) and Stockton Lumber Company (Alabama) have been reported. If you know of listings that should be reported, please let Scriptor Blakeman know (address on front of bulletin). This will prevent NSCA members from being 'taken in'. Garland Kincaid, Tulsa, OK wants to be an aged NSCA drop out! So, remove his name from your membership roster to keep it current !! ... Scriptor Dale Grim, Illinois pens that he has jointed Scriptor Paul Jensen in collecting coal mine postal cards. He notes that scrip is hard to find in Chicago area but he will keep at it. He pens that NSCA, in his opinion, is the best national collector group!! (Thanks, Dale, all of us are working hard to keep it that way!!) Scriptor Dave Whisman, KY, writes wondering why each page cannot be dated so that he can keep up with each issue! As do many others, he saves each issue in a binder and when several issue pages get mixed up, he has a problem! I feel that this is a good suggestion and will attempt to do this !! Unfortunately, several of the pages this issue have already been prepared without a date. (Golly, I hope I can remember to do this!).. Scriptor George Hosek, Nebraska, states that he checked out city directories on C. B. Havens Coal Co. (see Arlie Slabaugh note in previous bulletin). George states that C. B. Havens was a resident of Omaha in 1888 and that in 1890, a retail and wholesale coal listing included his name. In 1904, there was a listing for a Tom Collins Havens for coal, coke and wood.... Scriptor Fred Robinson, Ohio, sends along an article on "Longwall Mining" that we try to get in a later issue.

MAILING LIST REVISED: Thanks to Scriptor Bill Williams, the Editor was able to revise the computer membership list of all NSCA members!! Your mailing label on this issue should be up to date as to when you were first listed in the bulletin as a member of NSCA!! He went back thru all of the past issues and provided us with this information!! Thanks, Bill!

If you detect any errors on your label, please let me know. One last reminder has been mailed to all past due members and they will not be getting this issue of the bulletin...

Scriptor George Sandlewick is the Secretary - Treasurer of the Florida Token Society, being elected at the FUN meeting in Florida recently. For inquiries about FTS, address him at:

Rt. 1, Box 490, Homosassa, FL 32646. Scriptor Arlie Slabaugh, PA, notes that he wants to attend Oak Hill Convention if at all possible since it is near his old home area in WV.

Scriptor C. R. Clark, FL, sends along "History of Southern States Lumber Company" which we plan to use in immediate future in bulletin. You will recall that this company issued the oblong hard rubber or composition tokens that many are seeking! ...Scriptor Bob Ulrich,

AL, sent interesting info on Templeton Coal Company of Indiana that I want to include later also. He is attempting to run down the unusual tokens issued by this company...

...Thanks, Scriptor John David Cox for the nice post card of the NEW RIVER GORGE. The old view is exactly where the famous bridge is built and makes a nice addition to my collection!! Scriptor R. R. Tippy requests permission to use the NSCA logo on his personal stationery!! Request granted, Tip! Remember: the NSCA logo is now copyrighted and no use can be made of the logo without permission from the Secretary of NSCA (or, the Board in event of questionable uses).

EDKINS CATALOG NEWS

Our best information is that we should have Volume I of the 2nd Edition of the Edkins Catalog enroute to you about the end of February. Most shipments will be via United Parcel Service. Those of you who have given us PO Boxes soon will receive a request to provide us a street address since UPS can not deliver to a PO box. Shipments will be made by Parcel Post to those who do not have UPS service.

Volume I contains scrip listings from all states other than West Virginia. Volume II, which will be available later this year, will list West Virginia exclusively. The 2nd Edition is being published in two volumes due to the large number of new companies and new pieces which were reported. Each volume will have 400 to 450 pages.

Volume I contains 43% more companies than the 1st Edition and 46% more pieces, totaling approximately 6,500. It also includes 240 illustrations and a 33 page index, listing all of the companies in the catalog. Rarity ratings for each state have been reviewed and updated by three to five members who are considered experts for their particular states. More than 25 members participated in the review, and to each of them we extend our sincerest thanks. This edition will be as complete and accurate as humanly possible at the time it went to press.

Now, for the good news !! The Catalog Committee has received a number of letters and personal remarks regarding the disparity in prices between the members' cost and the dealers' cost. As a result, a review of projected profit was undertaken, and the decision was made to adjust the member cost.

All orders already received from members for individual catalogs, will be reduced by another \$3.00 for both the bound and loose leaf copies. All future member orders for either book will be priced at \$24.00 for the bound copy and \$21.00 for the loose leaf copy. Dealers prices will remain at \$18.00 per copy for orders of 10 or more of the bound catalog. The regular retail price for individual orders from those who are not members of NSCA will continue to be \$30.00 for the bound copy and \$27.00 for the loose leaf copy.

As of February 5, we have orders for 125 copies of the bound catalog and 26 copies of the loose leaf edition. We also have fully subscribed the Special Collector Edition of 25 copies, the price of which will remain at \$60.00.

All prices quoted above are post paid. Packing and shipping costs are estimated to average \$1.50 if by UPS and \$2.50 if by Parcel Post.

(Continued on following page)

ADKINS CATALOG NEWS - (Continued)

If you have not placed your order for Volume I of the 2nd Edition, you may want to do so now in order to assure early delivery of the revised catalog. Don't let your competition get the jump on knowing the new listings and new rarities. Complete the order blank below and mail it today !! (Or, any kind of letter will serve the same purpose.)

Since we anticipate being able to make delivery within 30 days, we will accept payment with your order, OR we will bill you when shipment is made -- your choice!!

For those who already have sent payment at the original \$27.00 and \$24.00, your overpayment will be refunded when the catalog is shipped. In the meantime, your checks have not been cashed, unless you happened to send them to the Secretary in connection with other payments.

The Catalog Committee thanks each of you who have ordered and is looking forward to orders from the rest of you real soon....
